I've learned from enforcement that since there was a previous request for this info, it's now available online:

<https://foiaonline.regulations.gov/foia/action/public/search/>

By entering EPA-R6-2015-001601 into the "Search For" field, you can access all 169 documents for the case.

Should I send this to the reporter, or does HQ want to do that?

Please update me when we send the disk of information re: DuPont to the paper. I need to Coord with Hq.
